Phantoms in the Brain by V.S. Ramachandran

1. Read and take your own notes on Phantoms in the Brain by V.S. Ramachandran.
2. Have your notes and the book with you for the first week of classes. You will be able to use these notes for our graded class discussion and open note quiz. During discussions, you will have the opportunity to further clarify your notes.
3. You will take an open notes quiz on the reading some time during the first week of school. So take good notes! The quiz will be multiple choice and short answer.
4. You should plan on taking 1-3 pages of notes per chapter.

Have a good summer!
