**Belmont Public Schools**  
**Department of Fine & Performing Arts**

***Mission Statement***

The mission of the Belmont Public Schools Department of Fine and Performing Arts is to educate all students in a supportive, nurturing and challenging environment by providing them with the skills, knowledge and opportunities for expression in art, music, drama and dance that enable them to participate actively as consumers and makers of the arts in a diverse global community.

---

The Belmont Public Schools Department of Fine and Performing Arts has been recognized nationally for its dedication to excellence in the area of arts education. The Belmont High School performing ensembles you will hear this evening are regarded as some of the most outstanding student ensembles in New England. *Fifty-nine* of the students performing this evening have been selected to perform in the Massachusetts Music Educators Northeast District band, chorus, orchestra and jazz ensemble, earning them a place among the most exceptional high school musicians in the state.

The music students and performing ensembles at Belmont High School are the most publicly visible component of our Music Department, receiving a great deal of praise and recognition throughout the community. However, the foundation for the success of the high school music program begins at each elementary school with a comprehensive General Music curriculum and the beginning of our instrumental music program. The work continues at Chenery Middle School, where students perform in some of the finest middle school ensembles in the region. It is the work of the talented and dedicated teachers at the elementary and middle school levels that make it possible for our high school program to flourish.

**Belmont Public Schools K-12 Music Faculty**

Arto Asadoorian	BHS Bands, Director of Fine & Performing Arts
Paul Ketchen	BHS Bands, Music Electives & Elementary Brass
Sean Landers	BHS Chorus
Margot Reavey	BHS & CMS Orchestras

The opportunity for our students and teachers to make music on such a high level is dependent upon the support of several individuals and institutions in our community. Their commitment to support arts education in our schools is vital to the overall success of our programs.

Above all others, credit for the success of our programs goes to the students themselves – for the hours upon hours of practice and rehearsal time they log, and for their dedication over many years to their love of music. Support from their parents – embodied by our booster organization, *Parents of Music Students (POMS)* – is vital not only to the musical achievement of each individual student, but to the overall success of the music program.

**For more information on how to become active in *POMS*, please visit  
[www.belmontPOMS.weebly.com](http://www.belmontPOMS.weebly.com).**

---

### **Special thanks for their support of tonight's program:**
