# *Rules for the Auction*

---

## **SILENT**

All items have a corresponding bid sheet. Bidders must enter their name, paddle number, and dollar bid amount on appropriate bid sheets. Please respect the “minimum amount” and “bid increments” listed on the bid sheets. Bid as often as you wish and on as many items as you wish. It is a good idea to return frequently to items that interest you, checking on your last bid in order to win the items you choose.

Bids may not be withdrawn once they have been entered onto the sheet. Your bid is your obligation to buy.

Note: This program briefly describes silent auction items. For detailed information on each item, please see bid sheets.

## **LIVE**

A bid is entered by raising your paddle and being recognized by the auctioneer. Once a winning bid is declared by the auctioneer, a “runner” will approach the winner with two forms to fill out. The winner will keep one copy and the runner will keep the other. Winners will use this form to claim their item at check out.

## **PAYMENT**

Payment in full must be made on the night of the auction (March 10, 2012) with cash or check (payable to the **Butler PTA**). All items must be taken home on the night of the auction. **All sales are final—no exchanges or refunds will be made**
