School**

# Memo

**To:** Dr. George Entwistle, Superintendent  
Ms. Janice Darias, Interim Assistant Superintendent

**From:** Heidi Johnson, Assistant Principal *HJ*

**CC:** Kristen St. George, Principal

**Date:** August 24, 2010

**Re:** Dates for Spring 2011 Fifth Grade Trip

---

The dates for the fifth grade overnight trip to the Ferry Beach Ecology School in Saco, Maine, will be June 6 – 8 and June 8 – 10. Half of the classes will attend Monday through Wednesday, and the other half will attend Wednesday to Friday. A combination of teachers and parents will chaperone the trip, and students will travel by coach buses. This trip has proven to be a wonderful hands-on learning experience for the students and a memorable event in their education in the Belmont Public Schools.
