Interim Assistant Superintendent

RE: Tuition Rates for F-1 VISA Students

The tuition rate for students attending the Belmont Public Schools on an F-1 VISA has been set at \$7,800 for 10 years. I have reviewed the tuition rates of other communities, and include that data here:

Arlington – \$11,813
Brookline - \$14,000
Cambridge - \$22,076
Watertown - \$16,277
Weston H.S. - \$13,950

I recommend increasing the BPS tuition to \$14,000 beginning with the 2011-2012 school year.

Agreed
