April 23, 2009

School Committee Town of Belmont Belmont, MA 02478

Dear Members of the School Committee,

In conjunction with the Town of Belmont's Sesquicentennial Celebration the Belmont Boosters Club, Inc. respectfully requests your permission to sponsor, as it has done over the past twenty seven years, the Fiesta Show Carnival at the Belmont High School parking lot and adjacent Hittinger Field from Monday, June 8 through Sunday, June 14, 2009.

The carnival will be scheduled to arrive at 7:00 a.m. on Monday, June 8th. Thereafter, carnival personnel will assemble the show, opening at 6:00 p.m. on Wednesday, June 10th. The show will also open on Thursday and Friday at 6:00 p.m. Out of concern for nearby neighbors, the show will close at 10:00 p.m. on both Wednesday and Thursday evenings, as was the case this past June. Friday night closing will be at 11:00 p.m. The Boosters and Fiesta Shows also propose, as in past years, to open the rides for the free and exclusive use of Belmont S.P.O.R.T. members on Thursday afternoon from 4:00 p.m. until 5:00 p.m. On Saturday June 13, the show will open at noon and close at 11:00 p.m. On Sunday June 14, the show will operate from noon until 6:00 p.m. The show will dismantle and leave the site on Sunday evening as quickly as possible.

Provisions for clean-up, emergency medical staff, sanitary facilities, etc., will again be procured and coordinated by the Boosters Club.

BELMONT PUBLIC SCHOOLS OF FIGE OF SUPERINFENDENT The Boosters Club appreciates the School Committee's past support of our annual early summer carnival and hopes you will act favorably on this request so that we may continue to help the Belmont High School Athletic Department meet future capital equipment needs. With the proposed athletic cuts every dollar that can be raised by the Boosters Club is critical at this point.

This will be the twenty seventh anniversary of the Boosters Club holding the carnival at Belmont High. We are proud to say that the proceeds from the carnival over the past twenty five years have reached the \$300,000.00 dollar mark. We are hoping that the Sesquicentennial fireworks display on Friday evening will bring large crowds and added revenue for the Boosters Club. ALL of these funds plus much more has been spent on athletic equipment and varsity letter jackets for the student athletes at Belmont High School.

Please feel free to call me if you have any questions about the carnival or the Belmont Boosters Club. Thank you.

Respectfully,

Dal r. Man Culy
