---

---

---

---

### **Need for Change**

- Impact of Common Core
- Established teams for math and writing
- Evaluated alignment of Everyday Mathematics to the new state frameworks
- Other considerations

---

---

---

---

---

---

---

---

### **The Process**

- Investigated options
  - ✓ EDCO, EDC
  - ✓ Met with publishers
  - ✓ Ruled out those that didn't fit
- Evaluated alignment
- Presentations for teachers
- Refine program assessment tool

---

---

---

---

---

---

---

---

- Teachers review alignment & begin evaluation process
- Organize pilots
- Recommendation expected in November
- Spring training
- Parent forums

---

---

---

---

---

---

---

### Grade 5- Process

- PLT- Inquiry Question
  - Piloted units
- Understanding and Adjusting to Transition
- Alignment and Continuity with Elementary
- Program Presentations

---

---

---

---

---

---
