## STUDENT HEALTH AND WELLNESS

The Belmont Public Schools is committed to providing school environments that promote student health, well being, and ability to learn. The district shall comply with all federal, state, and local laws and regulations concerning student health, safety and nutrition. Students shall meet established health requirements in order to attend school.

The Belmont Public Schools shall comply with the Massachusetts Department of Public Health's regulations pertaining to sports-related head injuries in extracurricular athletic activities.

The Superintendent shall ensure the development of procedures to implement this policy including procedures to govern the prevention and management of extra-curricular sports related head injuries for students in grades six through twelve
