

Belmont School Committee Minutes
Finance Subcommittee
February 17, 2012
Conference Room of the School Administration Building

Present: Mr. Kevin Cunningham
Ms. Laurie Slap
Dr. Thomas Kingston, Interim Superintendent
Mr. Anthony DiCologero, Director of Finance

1. Call to Order

The meeting was called to order at 2:03 p.m.

2. Budget Status Report

3. Special Topics

The Subcommittee reviewed the set of questions submitted by the Warrant Committee Education Subcommittee.

The group discussed how to begin development of a new model that could more easily pull updated data directly from Munis; be simpler to manipulate and impose budget assumptions; and quickly produce summary materials for more effective presentations.

Mr. Cunningham offered to lend his professional expertise in database development to this project.

Such a model would provide much of the detail the WC Ed Subcommittee is seeking.

The Subcommittee agreed that given that School Vacation was just about to start, the first step to respond to the Ed Subcommittee questions was to go through the list and determine what information is readily available and what questions would require more time to answer fully. Ms. Slap offered to draft such a summary. Mr. DiCologero said he would begin to draft responses when he returned from vacation.

4. Approve Minutes

There were no minutes to approve.

5. Adjournment

The meeting was adjourned at 3:15 p.m.

Respectfully submitted

Laurie Slap, Co-Chair
