Attention: Dr. Thomas Kingston, Superintendent

Dear Dr. Kingston:

Congratulations! I am very happy to inform you that the Belmont Public Schools has been selected to receive MASBO's Donald D. Johnson Cost Efficiency Award. As you are aware, the purpose of this award is to honor school districts that have demonstrated exemplary effort in the implementation of programs and/or activities that increase efficiency in order to maximize the availability of resources for educational priorities. In addition, the district's submitted initiative must be capable of being replicated in other districts in the Commonwealth.

In the judgment of this award's selection committee, the Belmont Public Schools' cost efficiency initiative certainly achieved these aforementioned requirements.

You and those staff members that were directly responsible for the implementation of this initiative are invited to attend MASBO's Annual Institute Banquet on May 17<sup>th</sup>, where you will be recognized and honored for your achievement.

The Banquet will be held at the Ocean Edge Conference Center in Brewster, MA, and will begin with a reception at 6:00pm. Please contact me so that I can make appropriate arrangements for your attendance.

Very truly yours,

John A. Crafton,  
Executive Director
