### **High School Library**

Belmont High School Weeded Books for 2013-2014

During September and October 2013, books from the high school library collection have been weeded because of the age of the books ( 1950's to 1990's) and the damage from over the years sitting on the shelves. We are requesting for the books to be considered as no longer valid for use for school use and be disposed of by discarding the boxes of books by trash removal/ recycle removal. There are no books considered to sell for budget purposes because of the condition of these books. The list provided below is the final count by library section.
