Dear Mr. Jones,

Thank you for your letter providing information on the efforts of your group on funding the improvements to the White Field House. We support these efforts to provide improvements to the interior of the building, beginning with the removal and replacement of the lockers.

We appreciate you working with our Director of School and Town Facilities, Mr. Gerald Boyle to insure that your plan can be implemented successfully so that all inspections, compliance issues, access, and scheduling are coordinated.

While the Board of Selectmen is grateful for your contributions, the School Committee is required to accept your donation at their meeting, which will also provide you an opportunity to further describe your group's efforts. Please contact the School Superintendent's Office to schedule a time on the next School Committee meeting agenda.

In closing, thank you and your group for embarking on this initiative to provide needed improvements to this important School facility.

Sincerely,

Andrés T. Rojas
