

Belmont Food Service: Update #3

October 20th, 2020

To our Belmont Community,

First off, thank you to all participating families who have been coming by our meal pick up over the last month. The turnout has been tremendous and truly supports our children as well as our program. In the last four weeks, we have seen **over 70,000 meals go out the door!**

We have determined that meal pick up and home meal kit delivery is the **SAFEST** and most efficient way to get meals to our student body. Please note we will continue through the upcoming models and until guidance is released to safely feed students in an unrestricted setting in our cafeterias.

USDA EXTENDS FREE MEALS THROUGH JUNE 30TH, 2021

Last week, we received word that the USDA extended the free meal waiver through the end of the 2020-21 school year. This allows...

- School meals to be served in all areas and at no cost;
- Permit meals to be served outside of the typically required group settings and meal times;
- Waive meal pattern requirements, as necessary; and
- Parents and guardians to pick-up meals for their children or teens.

MEAL PICK UP OPEN FROM 7:30AM to 9:30AM AT BELMONT HIGH (SCHOOL DAYS ONLY)

Below is our meal pick up schedule. We ask that you come on the day signified by the **first letter of your oldest child's last name**. Please follow the below schedule as best you can to prevent overloading our team so we can serve you quickly. **If you cannot make your scheduled day, feel free to attend another day or come by shortly after we close for meal pick up.
