— REMOTE MODEL —
August 25, 2020

Guiding Principles

- Safety
- Social Emotional Wellbeing
- Equity and Access
- Robust Teaching & Learning

Foundational Questions

How do we best support students in a remote model?

- How do we **minimize screen time** and also provide a **robust curriculum**?
- How do we help students **connect** with adults and other students?
- How do we help middle school students **persist throughout the school day**?

“Is this action moving students closer to educational opportunity or farther away from it? Why? What is our evidence?”

Process

- Informed by the unique aspects of a large school with grade span of 5-8
- Attuned to different needs for teaching, learning, and wellbeing in a remote setting.
- Brainstorm, development, and consults with
 - Full faculty, Individual and small groups of faculty
 - BEA school representatives
 - District Leadership
 - District parent survey data
- Review of models from other towns
