

# Welcome to Belmont Public Schools

## *Belmont Public Schools and Registration Information*

---

# Belmont Public Schools and Registration Information

---

- **Registration opens online for grades K-12 on January 29**
- **We will be promoting this in late December/early January through:**
  - BPS website posts
  - Local media
  - Superintendent's and Principal's Newsletters
  - Email to parents and guardians
  - Area pre-schools
- **There will be presentations for new families on the K-4 website:**
  - BPS and Registration Information (general overview and specific registration information)
  - Health Requirements
  - Food Services
- **Each elementary school will hold a virtual Kindergarten Information Night** after the April placements to answer more specific information about school opening in fall 2021 with their placed families

# Timelines for Registering Your Child and School Placements

---

- January 29**     **Online Registration opens for grades K-12**
- April 9**     *Deadline for submission of completed registrations for **first round of school placements held on or around April 13**; school placements are emailed within five business days of placement date*
