## SUMMER READING SUGGESTIONS 2022

**GRADES  
2-3**

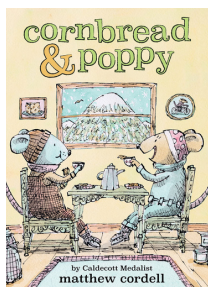

The Summer Reading Lists are a joint project of the Belmont Public Schools and the Belmont Public Library. They are designed to encourage students in Belmont to make reading a habit, raising both their interest in and level of reading. These books and works from authors are available to view in print and as e-books and e-audio books that can be borrowed free of charge from the Belmont Public Library's collections in Libby and in Hoopla.

These titles reflect only a fraction of the 30,000+ titles in our children's collection. Please contact our library staff in person or online for individualized recommendations for your child and family.

**Be sure to sign up for the Library's Summer Reading Program starting in late June. The theme this year is Read Beyond the Beaten Path!**
