SUMMER READING SUGGESTIONS 2022

**GRADES
K-1**

The Summer Reading Lists are a joint project of the Belmont Public Schools and the Belmont Public Library. They are designed to encourage students in Belmont to make reading a habit, raising both their interest in and level of reading. These books and works from authors are available to view in print and as e-books and e-audio books that can be borrowed free of charge from the Belmont Public Library's collections in Libby and in Hoopla.

These titles reflect only a fraction of the 30,000+ titles in our children's collection. Please contact our library staff in person or online for individualized recommendations for your child and family.

Be sure to sign up for the Library's Summer Reading Program starting in late June. The theme this year is **Read Beyond the Beaten Path!**

These authors listed below have written and illustrated many wonderful picture books!
