

## The Belmont Boosters

*The Belmont Boosters Club, a 501(c)(3) charitable organization, is a volunteer community organization that has supported Marauder athletics since the 1940's. The Boosters' mission is to provide funding for items that are outside the athletic budget. Over the last 7 years alone, the Boosters have donated over \$200,000 to the athletic programs at Belmont High School. 100% of all donations support Belmont Athletics.*

### **What do we do?:**

- We support ALL BHS athletic programs and clubs bridging the gap in the Athletic budget and sport team fundraising
- Bolster school spirit and augment sport attendance at Home Games and Community Events
- Support and publicize BHS Athletes especially through the Booster Athlete of the Month

### **How do we raise money?**

- 3 major fundraisers: **Student Athlete "B" Drive (October)**, **Becca Pizzi Fun Run (end of April)**, Patriots basketball game (middle of May). **Bold** means Heavy Team involvement needed!!
- 24/7 website donate button

### **How do we spend money?**

- We provide 1<sup>st</sup> time varsity players with fleece jackets @ athletic awards nights. We pay for Wenner Field House team championship banners, team captain leadership programs and Booster ad in team Ad books.
- With team volunteers with we support fan busses, and have subsidized BHS student tickets.
- Big and Small grants – single team and cross teams. All coach grants are submitted through Jim Davis.

### **About our Grant program**

**(Application is available on our website and athletic department)**

### **We like:**

- Requests that support many athletes (within and cross teams) and with multiple funding sources
- One-time purchases, Trial/1<sup>st</sup> time prototype

### **We don't generally fund..**

- Annual team banquets, game/practice gear
- Items/services that are needed annually

### **Items/Projects we have funded:**

- **Major contributor in large projects:** Fitness Center renovation, White's Field House renovation, Wenner flooring refurbishment, Harris Field netting installation and press box construction.
