

Booster-Funded BHS Varsity Fleece Program Update

Effective in the Fall of 2016, modifications have been made to the Varsity Fleece Pullovers.

- The Marauder logo on the front of the pullover is no longer sport-specific. It has been modified as follows:

- When a student-athlete receives his or her initial fleece (upon receipt of his/her first varsity letter) the sport for which the fleece was earned will be reflected on the right sleeve of the fleece. For example, a student-athlete earning his/her first varsity letter for basketball will receive a fleece with "**BASKETBALL**" appearing on the right sleeve.
- If a student-athlete earns a varsity letter in another sport as well, the fleece can be modified to reflect subsequent varsity letters earned in other sports. For example, a student athlete earning varsity letters in soccer, hockey and lacrosse could (at his/her option) have the right sleeve of the fleece modified as follows:

- The student-athlete's last name will appear on the left sleeve of the fleece (unless he/she specifically requests for his/her name NOT to appear).
- Champions Sporting Goods in Belmont Center can handle all subsequent modifications to the fleece pullovers at an approximate cost in the \$8.00-10.00 range on average.

THE BOOSTERS HAS ARRANGED, THROUGH CHAMPIONS SPORTING GOODS IN BELMONT CENTER, FOR AN AMPLE SUPPLY OF THE NEW FLEECE PULLOVERS TO BE AVAILABLE FOR PURCHASE BY PRIOR VARSITY LETTER WINNERS WHO MAY WANT TO UPGRADE AT A COST OF APPROXIMATELY \$40.00 PER FLEECE.
