**Parents: Please review this with your child.**

March 2022

Dear Burbank Kindergarten Students:

The Dr. Feinberg Geography Challenge for kindergarten will take place in the Burbank cafeteria on Friday, March 18<sup>th</sup>, **from 9:45-10:45 am.**

All of the questions and answers for the Challenge are found in this book. At the Challenge your team will be asked a few of the questions from the guide. **Your final question will be a flag.** We encourage you to study the questions both alone and with your teammates. All questions will be directed to your team, not to you as an individual. **Don't forget to coordinate with your team on a theme or color to wear on the day of the Challenge.**

The purpose of the Challenge is to learn and have fun. You may find that some of the questions are easiest to learn by using a map or atlas to find locations and features. If you try to understand how locations relate to one another, you may be able to avoid simply memorizing some of the answers, and you will remember what you have learned even after the Challenge is over.

Congratulations to all of you who have decided to participate in the Challenge this year! If you have any questions, please contact one of the committee chairs.

Good luck!

Sincerely,

Lindsay Doherty, [lindsay.prendergast@gmail.com](mailto:lindsay.prendergast@gmail.com)

Jessica Lee, [jessicaandnormanlee@gmail.com](mailto:jessicaandnormanlee@gmail.com)

Julie Waters, [jflynn97@gmail.com](mailto:jflynn97@gmail.com)

PTA Geography Challenge Co-Chairs
